Mr. Hill reported that on 2nd

9 29 of Lec. 20 of the Rev. Rules the land might be ordered to be sold by auction

25-11-93 18 the Dy. Comr. on calling for the proceedings and going through the same order dated Bukkum No. 113 of 14-7-93 was found directing that the old village site should be given to petitioner only if a condition to that effect had been made at the time when the land was given for the new village site - that whether such condition had been effected and that if not how the land was granted

No. 932 of 8-1-94.

No. 1109 of 26-1-94 19 In reply the Assistant referred the Dy. Comr. to Bukkum No. 352 of 19-7-90 directing the grant of the old site to petitioner on payment of the value of the trees on it - that the said order did not mention any condition, nor was it effected - that when the petitioner was informed of the purport of Bukkum No. 113 of 14-7-93 he consented to pay the value of the trees - that consequently the land was on the auction list - of the previous Bukkum put in his possession as the same had not been notified for sale as yet - and that previous orders did not make mention of any condition Except Bukkum No. 113.

20 On this the Dy. Comm. passed the following order:-

No. 6070 of 26-1-94. Bukkum was issued on 14-7-93 that the old site should be given to the man

who gave land for the new village site only if a condition had been made to that effect. But as no such condition had been entered into, the old village site should have been disposed of by sale. It is a mistake to have granted the land on Valuation. Moreover the villagers have presented petitions urging that the land given for the new village site does not solely belong to Kempanna, but it belongs to all. It is alright if Kempanna would effect a compromise with them; if not the old village site should be disposed of by auction. Inform the owners of houses standing on it that they can remove the old materials thereof.

Whereupon a notice was issued to petitioner directing him to effect a compromise with the villagers and to submit the Karjinama within a fortnight.

24-2-94

The petitioner in reply represents to the Amildar that [illegible] Excepting the complaint of Venkatarayappa son of Ramappa, who neither owned any land nor built a house in the village, made through his no ryots ever objected to the old site being granted to him. That he had nothing to compromise with them. That the Shekdar in collusion with the Shanbogue had without disclosing the reference made to him about the land returned the records with him for about a year and prays that the complaint

the Amildar, that the old village
site may be granted to the petitioner.

6. When the Deputy Commissioner
referred the matter to the Govt.
it was approved of in the order no: 4495-6/162 of 5th August 1890.

7. The Amildar quoting all the
above orders ordered him to take charge
of the old village site on 30th Sept. 1890
& granted him Sagvini exit after
which he has been enjoying the same
after spending about 50 or 60 Rs on it.

8. Immediately the patta was prepared
in his name & he has paid two years

He paid the Inalki amount Rs 19-8-0

a petition to the Deputy Commissioner
on 14th December 1892 that the said
ryots possess some claims to the number

given to the petitioners in lieu of the
new site taken, & that the same may
be granted to them. This petition contained
everything that was false.
